mattison

Once a Pon a time there was a phone call in my house. It was NASA. They wointed me to go up to the moon with some body and go to Hustin Teaxas. I went up to Texas and I was going to see who I was going with it was Keamar I couldn't belive it. I goofed off It was fun we walked on the moon Played tag and after three months it was over and it was great. Finaley I was back home.
